Commissioner for Patents

The reply filed on 10/8/2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant's traversal argues against a species restriction. However, the restriction requirement is based on different inventions, not different species (see Office action dated 9/8/2008, pages 2). See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
